

Ultratec Simplicity System

Categories: Deaf, Hard of Hearing

Manufacturer: Ultratec

These visual signalers plug alert you when you receive a call. Choose from two styles: wall-mount or desktop. Both models can flash a plugged-in lamp to alert you. As an alternative, the wall-mount models can be used with the optional Add-On Strobe.

Features

- Visual call alert system with interchangeable transmitters and receivers
- Wall mount or desktop
- Flash patterns follow ring pattern
- Plugs directly into telephone line
- Allows for lamp to be turned on or off
- Strobe available with some models
