**Categories:** Motion  
**Manufacturer:** Polycom

SoundPoint Pro SE-225 seamlessly integrates handset and headset telephone functionality with crystal clear, hands-free voice conferencing. With the touch of a button, SoundPoint Pro SE-225 lets you hold clear, multipoint conference calls with up to two additional participants. Polycom's Acoustic Clarity Technology enables callers to speak when they want without clipped sentences and one-way conversations that are common with ordinary business speakerphones.
